Grading System

Exam Average	85%
Homework	15%

Borderline decisions are based on attendance record.

Let H be your homework average.

Let T_1 , T_2 and T_3 be your midterm exam scores.

Let x be your score on the final exam.

$$\text{Average} = (0.85) \left(\frac{T_1 + T_2 + T_3 + x}{4} \right) + (0.15)H$$

Conduct During Exams:

Students will not be allowed to use any formula sheets or notes on exams. Students may not receive assistance from classmates or attempt to copy the work of a classmate during an exam. Violators are subject to immediate failure in the course as well as other administrative sanctions such as suspension if appropriate. Use of cell phones or smart watches during exams is forbidden.

Best of luck on all of your final exams.
