Dear Dr. Jacobs:

Per our telephone conversation, the position of Assistant Professor in the Division of Mathematics and Physical Science with an annual salary of \$13,500.00 has been approved for you. You will be receiving a contract shortly which we would like for you to sign and return to us.

After you have accepted our offer by returning the signed copy of the contract to us, please send us a copy of your travel expenses so that we can arrange to reimburse you.

I will be in touch with you at a later date to discuss your teaching assignments for September.

I am looking forward to working with you and wish you a successful career at Embry-Riddle.

Sincerely yours,

Iraj Hirmanpour
Chairman
Mathematics & Physical Science Division
