Comments: Hi! I'm on SCOL and love that list! I don't have any direct Sutphin ancestors, but several of my lines had siblings that married Sutphin's. My mother was from Carroll Co. Va. and am researching her ancestors. Some of them were DALTON, NESTER, THOMAS, GOAD, SEMONES, JENNINGS, OGLE, BOBBITT, ESKUE, LARGEN, DURNEL. You have one of the best pages and lists there is. Folks are sooo very nice and helpful there. Keep up the great work!

Comments: I have just started researching my father's family. Unfortunately, I don't have much information. My father's name was Cecil Giesen Sutphin and his parents were Cornelius and Nellie Sutphin. He had two sisters, Pearl S. Beasley and Ruth S. Andrews. Anyone having any information - I would love to hear from you. The only other information that I know is that we are related to the Reverend Robert Sheffey (circuit rider). I would be grateful for any information. Thanks!

Comments: Hi everyone, almost 20 years ago my mother's side (Jackson) of the family had produced a family history. I think as I got older I became more interested in verifying the document and also tracking down my father's heritage. I've been searching the Web and joined the Carroll Country Gen. Society, the NGS and found the Mormons new web site which has been very helpful. I stumbled onto your website in a general search and am excited that you may already have a lot of the info I need. I'll do some more searching but am especially interested in following Wilbert Sutphin/Jethro G/Tazwell. I lose the trail with Tazwell. Any help would be appreciated. Thanks so much.

I am currently researching several of my ancestors. It was refreshing to find so much information on ONE family in ONE place!! My burning desire at the moment is to trace Jacob BORDINE. The families trace back to Montgomery Co., N.Y. Jacob was reportedly born in the Mohawk Valley. He died in 1836 in Yates, Orleans Co., N.Y., no grave has been found. I have not definitely identified him prior to 1830. There are several BORDINE descendants looking for him. He is a WANTED man!

Comments: I found two tintype photographs with the name written on the back "John Sutphen Clark". I have a hobby of placing old photographs either with a family or geographically. At first I thought the middle name was Stephen because I had never heard of Sutphen as a first or surname. Now that I see it is a surname it's possible that it was his mother's maiden name. Is it also used as a first or middle name? Does anyone have any information on this fellow? His age is 20 on the earlier photograph. From dating the photograph and his clothes and other cues in the photo he was probably born between 1840-1850 but not before 1836 and most likely not after 1850. Any help you can give me on this man or the name Sutphen is appreciated. Ken Brock (Vancouver, BC)

Uncertain as to the parents of Ruth Sutfin but suspect her father may be Richard Sutfin as he was living in Clear Cr. I don't have an email address now, I'm on my computer at work, but as soon as I get it going again I would love to be on your list. I feel we could learn alot from each other as my family has a rich and spotlighted history and I'm sure that you could add to that. Once again, great site, and I'll be back soon with my address to post. Sincerely Adam E Sutphin, Roanoke VA.

My parents divorced when I was 3yo, and I have never had contact with my father. And that's over 25 years. I was hoping that I would be able to find anyone with at least the same spelling of our last name. Maybe someone somewhere has him in their family tree. I don't have a whole lot to go on.....

I am a Texas Sut, descendant of John S. Sutphen and Matilda Crisman. John was born in Ohio (?) in 1805, moved to Tennessee, married Matilda there in 1833, then came to Texas in 1850. I would love to find John's family.
Other families related to the Texas Suts include Oxsheer, Scogin, Richardson, Wilson, Walker, Kerley, and Crawford.
